Watch: Tag Heuer Carrera Caliber 16 CV2A10 Watch Only

Stock Number: CHW6415

Price: £1,395.00

This striking Tag Heuer Carrera CV2A10 is a sophisticated and sporty automatic chronograph, powered by the reliable Caliber 16 movement. It features a 43mm stainless steel case, a black dial with silver-tone hands and hour markers, and a day-date display at the 3 o'clock position. The dial is protected by a scratch-resistant sapphire crystal, and the polished tachymeter bezel adds both functionality and style.

Key features include:

Automatic movement (Caliber 16) with chronograph functionality

Stainless steel case (43mm diameter)

Black dial with luminescent hands and markers

Day and date complication

Tachymeter bezel

Sapphire crystal

Exhibition case back showcasing the movement

Water-resistant to 100 meters

Comes on the original stainless steel bracelet with folding clasp and can fit a wrist of up to 18cm.

Condition: Good pre-owned condition consistent with everyday use. The watch functions properly and keeps accurate time.

Please note: This watch is being sold without its original box or papers. Serial number is intact and visible upon inspection.

Whether you're adding to a collection or seeking a reliable, stylish chronograph, the Carrera CV2A10 delivers the perfect blend of performance and prestige.
