Stock Number: CHW6416

Price: £945.00

Elegant yet sporty, the Tag Heuer Aquaracer Lady WAF1416 is a refined timepiece designed for women who appreciate both style and performance. This model features a stainless steel 27mm case and a beautiful mother-of-pearl dial adorned with 11 diamond hour markers and a diamond encrusted bezel offering a luxurious touch to its robust dive-watch build.

Driven by a precise ETA quartz movement, the watch is water-resistant to 300 meters. The unidirectional rotating bezel and screw-down crown enhance its durability and function as a true diver's watch.

Key features:

Swiss quartz movement for accurate, maintenance-free timekeeping

27mm stainless steel case with polished and brushed finishes

Genuine white mother-of-pearl dial with 11 diamond markers

Date display at 3 o'clock

Unidirectional rotating bezel

Screw-down crown and case back

Sapphire crystal for superior scratch resistance

Water resistance: 300 meters (1000 feet)

Fitted with the original stainless steel bracelet and deployment clasp which can fit a wrist of up to 17cm.

Condition: Very good pre-owned condition with signs of wear. The watch is fully functional and keeps accurate time.

Please note: This watch is sold without the original box or papers. Serial number is intact and can be verified.

A perfect blend of luxury and utility, the Tag Heuer Aquaracer WAF1416 is a versatile and timeless accessory, whether for everyday wear or special occasions.
