

**Burma Ruby Diamond Cluster Ring - Saddingtons Jewellery Stand 375
£2,525.00**

Edwardian Burma Ruby Diamond Cluster Ring. The central circular ruby (0.6cts) is deep rich red and is surrounded by 8 bright Edwardian transitional brilliant cut diamonds weighing a total of 1ct, (VS Clarity, Colour G-H). The ring shank is 18ct yellow gold, all gems are millegrain set in platinum with a rub over edge. The inside of the shank has the markings '18ct & P'. The diameter of the head of the ring is 1.2cm. A beautiful ring, it sits low and comfortable on the finger.
