

De Vroomen Star Sapphire & Gold Statement Necklace
POA

An extraordinary statement piece featuring luminous star sapphires set in bold circular gold mounts. Weighing an impressive 256.3 grams, this necklace exudes presence and luxury. Each cabochon star sapphire displays the mesmerizing asterism effect, glowing with shifting rays of light as it moves.

The necklace measures 43.5 cm in length, with a graduated width from 2 cm to 3.7 cm, designed to sit elegantly along the neckline. The rich blue sapphires are perfectly complemented by the warmth of the gold, creating a striking contrast that embodies both strength and sophistication.

A rare collector’s jewel and wearable artwork, ideal for those who desire uniqueness and power in their collection.
