

Antique Miniature Mosaic Brooch

£6,000.00

A delicate and intricate miniature mosaic brooch, showcasing the exceptional artistry of 19th-century micromosaic craftsmanship. Tiny hand-set tesserae form an exquisite design, rich in colour and detail, framed in a finely worked gold mount.

Treasured as wearable art, this brooch captures the romantic spirit of the Grand Tour era — making it a collectible jewel for lovers of history, travel, and antique craftsmanship.
