Tiffany & Co. 18ct Gold Fish Brooch
£4,900.00

A rare and whimsical creation by Tiffany & Co., this vintage brooch is masterfully crafted in 18ct gold in the form of a stylised fish. The textured body is composed of individually sculpted gold scales that catch the light beautifully, giving the design both depth and movement. A cabochon ruby eye adds a subtle touch of colour and character to the piece.

Charming yet luxurious, this brooch exemplifies Tiffany's artistry and playful approach to fine jewellery design, making it a standout addition for both collectors and lovers of unique vintage jewels.
