De Vroomen Amethyst & Enamel Earrings in 18ct Gold
£5,500.00

A striking pair of vintage earrings by acclaimed jewellery house De Vroomen, celebrated for their bold, sculptural designs and masterful use of colour.

Crafted in 18ct yellow gold, each earring features a central cabochon amethyst set within flowing panels of richly coloured blue and purple enamel, highlighted with fine gold detailing. The sculptural form and vibrant palette exemplify De Vroomen’s signature aesthetic – a perfect balance of artistry and wearable elegance.

The earrings are fitted with secure clip fittings, ensuring comfort and ease of wear. A true statement piece, they reflect the timeless craftsmanship and distinctive style that has made De Vroomen jewellery highly collectable.
