Natural Carved Aquamarine & Emerald Bead Necklace
£6,500.00

A serene blend of colour and craftsmanship, this exquisite necklace features natural carved aquamarine beads, their cool blue tones evoking the tranquility of crystal-clear waters. Interspersed with vibrant emerald beads, the design offers a beautiful contrast between the gentle translucence of aquamarine and the rich, verdant glow of emeralds.

Each bead is meticulously shaped and polished, showcasing the unique character of the gemstones while highlighting their organic beauty. Elegant yet refreshingly modern, this necklace brings a touch of nature’s luxury to any ensemble—perfect for those who appreciate rare materials and timeless design.
