## 18ct Gold & Platinum Curved Onyx Earrings
## £7,000.00

Bold, sculptural, and undeniably chic, these vintage curved onyx earrings capture the sleek glamour of the 1980s. Crafted in a refined combination of 18ct gold and platinum, the design features smooth, polished onyx in elegant sweeping curves that frame the face with effortless sophistication.

The interplay of rich black onyx with the cool luster of platinum and the warmth of gold reflects a confident, architectural aesthetic—perfect for lovers of statement vintage pieces with a timeless edge. A striking addition to any collection, these earrings are as wearable as they are collectible.
