18ct Gold Heart-Shaped Peridot & Diamond Cluster Ring
£3,900.00

Radiating charm and vibrant colour, this enchanting ring features a vivid heart-shaped peridot at its center, set in warm 18ct gold. The bright green gemstone—symbolizing harmony and renewal—is beautifully surrounded by a halo of brilliant-cut diamonds, creating a dazzling cluster that enhances the stone's natural brilliance.

Delicately romantic yet strikingly bold, this piece combines playful design with timeless elegance, making it a perfect statement of love, individuality, or fresh beginnings.

Whether worn as a unique engagement ring or a treasured addition to your collection, this ring captures the essence of joy in a beautifully crafted form.
