Cartier Must de Cartier 5057001

A finer example of the Cartier Must de Cartier 5057001 may be hard to find! This highly sought-after model is a true Cartier classic, featuring one of the lesser seen original dials.

Case Size: 20mm x 28mm – a refined and elegant unisex size

Case Material: Gold-plated (Vermeil) – good condition throughout, some rubbing of the plating near the shoulders as you can in the images. We can have the case replaced at no cost should you wish however we have left original.

Dial: Ivory / off-white / yellow-tone dial with black Roman numeral hour markers down each side.

Hands: Cartier's signature blue metallic hands for a touch of sophistication

Crown: Cartier blue stone intact on the crown

Crystal: Durable mineral crystal

Movement: Quartz battery-powered movement for precision timekeeping

Battery: Recently replaced

New and unworn beige Leather generic Strap

Strap Condition: Great overall condition (10/10)

Case Condition: 7/10 – barely any marks or scratches on the plating

Why This Cartier Must de Cartier 5057001?

Finding a fully serviced, original Cartier 5057001 in this condition is becoming increasingly difficult. With its stunning Roman numeral dial, elegant gold-plated case, and serviced movement, this timepiece is an outstanding collector's watch that won't be available for long.

A Cartier classic that blends heritage, craftsmanship, and investment value!
