### Cartier Must de Cartier 5057001 | Roman Numeral Dial | Gold-Plated Case

A refined and elegant unisex timepiece, the Cartier Must de Cartier 5057001 is a true Cartier classic and one of the harder-to-find variants, featuring a beautifully balanced Roman numeral dial and timeless design.

#### Key Features

Model: Cartier Must de Cartier 5057001

Case Size: 20mm x 28mm

Case Material: Gold-plated (Vermeil) – good condition, light rubbing near the shoulders; we can arrange case replacement at no cost if preferred, though we have kept it original

Dial: Ivory / off-white with vertical Roman numeral markers

Hands: Cartier's signature blued steel hands

Crown: Blue stone intact

Crystal: Mineral crystal

Movement: Quartz battery-powered

Battery: Recently replaced

Strap: New unworn beige leather (generic) with buckle

#### Condition

Case: 7/10 – very light signs of wear, minimal plating rub visible on shoulders

Dial & Hands: Excellent original condition

Strap: Brand new, unworn (10/10)

Movement: Serviced and running accurately

#### Our View

The Cartier Must de Cartier 5057001 is a piece that captures everything collectors love about the Must line – understated elegance, Parisian style, and enduring collectability. Examples in original, serviced condition with this dial variant are increasingly rare. With its warm gold-plated case, signature Roman numerals, and Cartier's blue hands, this is a refined investment-worthy piece that wears beautifully on both men and women.
