

**Vintage Cartier Must De Cartier Large Black Manual Wind**  
**£1,995.00**

Up for sale is a classic Cartier Tank Must, featuring the elegant black dial in the larger case size (approx. 24mm across the case, 26mm including crown). The Cartier Tank is one of the most iconic dress watches ever made, with timeless design and universal appeal.

? Key Features:

Model: Cartier Tank Must

Case Size: Approx. 24mm (26mm including crown)

Dial: Black dial with Cartier signature

Movement: Cartier ETA Calibre 2512-1. 17-Jewel Manual-Wind, fully functional

Crown: Original Cartier crown with cabochon

Strap: Fitted with a generic leather strap

This is a vintage Cartier Tank Must showing normal signs of wear consistent with age and use. The glass and case show scratches/marks, as pictured, but the watch retains its elegant presence on the wrist. The original Cartier crown is present, adding to its authenticity.

A true design icon, the Cartier Tank Must remains one of the most recognizable and desirable dress watches ever made. This larger size model with black dial and manual wind movement makes for a refined and versatile timepiece suitable for any collection
