

**Jaeger-LeCoultre Reverso Duetto Yellow Gold Stainless Steel Two Tone Ladies Ref 266.5.44**  
**£6,995.00**

Just in: a stunning Jaeger-LeCoultre Reverso Duetto, reference 266.5.44, currently with our watchmaker undergoing a full inspection to ensure it meets the highest standards. It is expected back next week and will then be available for immediate viewing.

This elegant timepiece showcases one of Jaeger-LeCoultre's most iconic designs — the reversible case — here presented in a two-tone configuration with a factory diamond-set case that adds brilliance and refinement to its timeless Art Deco lines.

True to the Duetto spirit, the watch offers two contrasting dials, allowing the wearer to transition effortlessly from understated daytime elegance to evening sophistication with a simple rotation of the case. The factory-set diamonds along the case highlight the watch's graceful proportions, while the manual-winding movement inside upholds Jaeger-LeCoultre's tradition of exceptional craftsmanship.

This example is offered as a full complete set, including its original Jaeger-LeCoultre box, papers, and all full-sized links — a highly desirable detail for collectors and enthusiasts. Condition is described as immaculate, making it an outstanding addition to any serious collection.

A superb opportunity to secure a factory diamond-case Reverso Duetto in pristine condition, arriving back from inspection next week.
