

Omega Seamaster 196.1505 36mm Watch Only
£1,395.00

Watch: Omega Seamaster 36mm 196.1505 Unpolished Watch Only
Stock Number: CHW6437
Price: £1,395.00

This Omega Seamaster Ref. 196.1505 is a refined and sporty timepiece that embodies the brand's reputation for durability, precision, and timeless design. Presented in very good condition, it shows only minor signs of wear consistent with age and careful use.

The watch features a robust 36mm stainless steel case paired with an original signed Omega stainless steel bracelet, giving it both resilience and everyday versatility. The dial is classic Seamaster: a clean wave-pattern design with luminous hands, dotted hour markers, and a date window at 3 o'clock for practicality.

Powered by a reliable Omega quartz movement, this model delivers dependable performance and low-maintenance convenience, making it an excellent option for daily wear.

Please note: this watch is offered watch only, without its original box or papers, but comes with our 12-month warranty.
