Omega Seamaster Chronograph 2225.80.00 | 41.5mm | Blue Wave Dial | Full Set (2013)

This bold and robust Omega Seamaster Chronograph Ref. 2225.80.00 has had just one owner from new and comes as a complete full set with the original UK purchase receipt. Recently polished, pressure tested, and serviced in our workshop, this watch is in excellent condition and is offered with our 12-month guarantee and insured next-day delivery (collection also available from Mayfair, London).

The 41.5mm stainless steel case houses the reliable Calibre 1164 automatic chronograph movement, complemented by a striking blue wave dial with luminous hour markers, red chronograph hands, and a date window at 3 o'clock. Protected by a scratch-resistant domed sapphire crystal, this model combines professional-grade functionality with Omega's iconic dive watch aesthetics.
