Omega Seamaster Aqua Terra 36mm | Ref. 2518.30.00 | Full Set | 2007

This Omega Seamaster Aqua Terra Ref. 2518.30.00 is a beautifully preserved example of one of Omega's most versatile designs. Purchased new in 2007 and with just one careful owner, it has clearly been very well looked after.

The 36mm stainless steel case is paired with a silver dial featuring luminous hour markers and date display at 3 o'clock. Protected by a scratch-resistant sapphire crystal, the watch is fitted to its original full-length stainless steel bracelet with folding clasp.

Quartz-powered for reliability and precision, this Aqua Terra is offered as a complete full set with original box, warranty card, and manuals. An ideal daily wearer, equally at home with casual or formal attire.
