

Ceylon Sapphire & Diamond Cluster Ring | c.1960s POA

A charming 1960s cluster ring set with a vivid 1.35ct Ceylon sapphire surrounded by fourteen bright round diamonds totalling around 0.60ct.

The stones are mounted in 18ct white gold, forming a softly scalloped oval design that flatters the hand and catches the light beautifully.

A timeless vintage piece with wonderful colour and sparkle, and would make a wonderful engagement ring.

Ring size L½.
