

Art Nouveau Diamond Twist Ring in Platinum & 18ct Gold | c.1900 POA

A beautiful Art Nouveau diamond twist ring, handcrafted in 18 carat yellow gold with a platinum top.

The elegant, organic design curves around three bright old cut diamonds in millegrained bezel settings, totalling approximately 0.50 carats, with smaller accent stones set along the platinum twist adding extra brilliance.

The openwork detailing and soft flow of the design capture the romantic movement and craftsmanship of the Art Nouveau era.

English in origin, circa 1900.

Ring size L½. Resizable.
