

Sri Lankan Sapphire & Diamond Rectangular Ring in 18ct Gold | Art Deco c.1920s POA

A beautiful and timeless 1920s ring with a bold geometric form, set in 18 carat gold and mounted with three vivid blue sapphires framed by two rows of bright old cut diamonds.

The sapphires total around 1.45 carats and glow with the distinctive royal blue hue of Sri Lankan sapphires. The surrounding crisp brilliant ten diamonds total about 0.30 carats combined.

The silver topped gold setting is lightly oxidised to enhance contrast, giving the stones extra depth and sparkle.

Ring size L.
