

## Marquise Cut Diamond Ring in 18ct Yellow Gold & Platinum POA

A graceful vintage marquise diamond ring, crafted in England during the 1990s in rich 18 carat yellow gold with elegant platinum claw settings.

The central diamond, weighing approximately 0.55 carats, is a finely cut marquise of VS clarity and soft M colour, and a high open gallery lets the light shine beautifully through the stone.

Fully hallmarked in Sheffield, this piece makes a beautifully individual engagement ring or an elegant everyday diamond solitaire.

Ring size: L
