Our View

The Rolex GMT-Master II 126720VTNR "Sprite" is one of the most talked-about Rolex releases in recent years — and for good reason. With its bold green-and-black bezel, left-hand crown configuration, and ultra-modern calibre 3285 movement, it's a rare blend of innovation, heritage, and personality.

A collector's favourite and one of the most distinctive modern Rolex sports watches available today.
