

**Jaeger-LeCoultre Reverso 265.5.08 Quartz Stainless Steel & Gold  
Diamond Bezel  
£4,200.00**

The Jaeger-LeCoultre Reverso 265.5.08 is a timeless model from Jaeger-LeCoultre, featuring a rectangular case in stainless steel and 18K yellow gold, measuring approximately 20mm x 33mm.

The watch has a silver dial with Arabic numerals and blued steel hands, framed by a subtle diamond-set bezel for a touch of elegance. It is powered by a reliable quartz movement, ensuring precise and low-maintenance performance.

Currently fitted on the additional grey strap and comes with the original Jaeger-LeCoultre tan leather strap. Recently serviced with a new Jaeger-LeCoultre battery, receipt included as proof.

Presented in excellent overall condition, showing only light, age-appropriate wear.

A simple, elegant, and sophisticated Reverso—perfect for daily wear or as a refined addition to any collection.
