

**Cartier LOVE Cuff Bangle Size 20 - info@marksjewellery.co.uk
£5,500.00**

Here is an 18ct yellow gold bangle from the luxury jewellery house of Cartier. The bangle forms part of the world renowned LOVE collection and showcases the iconic screw motif around the outer edge. This is the 'Love U' model which slips on the wrist unlike its counterpart which must be physically unscrewed.

"A love child of '70s New York, the LOVE collection is a symbol of free-spirited love. Its binding closure and screw motif give it true permanence, while diverse interpretations allow for a unique expression of feelings. Lock in your love, forever". – Cartier
