

Vintage Tiffany & Co. Diamond & Sapphire Brooch

£3,500.00

This exquisite brooch by Tiffany & Co. is crafted in 18k yellow gold, designed in the elegant form of a sheaf of wheat. The detailed twisted gold rope work captures the naturalistic movement of the motif, while a sparkling line of alternating brilliant-cut diamonds and rich blue sapphires enhances its refined elegance.

The reverse is stamped "18K TIFFANY", confirming its authenticity, and it is housed in its original Tiffany & Co. fitted case from the London boutique.

A rare and timeless jewel, this brooch perfectly embodies Tiffany's mastery of design and craftsmanship, making it both a collector's piece and a wearable work of art.
