

Edwardian Pearl & Diamond Elegance Brooch in Yellow Gold
£3,250.00

An enchanting Edwardian brooch, beautifully handcrafted in 18ct yellow gold, delicately set with old-cut diamonds and a natural pearl at its heart.

The design captures the fluid, romantic curves of the early 1900s — graceful scrolls and openwork detailing shimmer with antique diamonds, leading to a striking pear-shaped diamond drop that dances with light. The warm gold setting subtly enhances the brilliance of the stones, giving this piece a timeless and feminine charm.

Worn as a brooch or converted to a pendant, it embodies the grace and refinement of the Edwardian era — a true heirloom jewel with lasting sophistication.
