Dating back to 1963 by the serial number this manual wind Omega Seamaster 30 reference 135.007-63 has been fitted with a new strap, had a light clean and passed through our workshop to be offered with a 12 month guarantee and next day shipping.

35mm stainless steel gold plated case the dial is elegant as it is classic, silver in colour stamped Seamaster 30 with gold hands and gold coloured hour markers.

Manual wind operating from a286 Calibre movement.

Condition - A few minor marks and scratches on the case but certainly nothing significant, dial is in exceptional condition for age and Plexiglass has no noticeable marks or scratches. 8/10 for a watch of such age.

Originality - dial, hands and crown all believe to be original to the watch.

Paired with a marron leather strap and gold plated Omega buckle. Strap being unworn.

Our View - A wonderful vintage Omega or even gift option.
