

BVLGARI - B.zero1 two-band ring
£1,560.00

A modern icon of Italian design, this Bulgari B.zero1 two-band ring combines sleek architectural lines with unmistakable luxury. Crafted in 18k rose gold, the piece features two polished gold loops encasing a sculptural black ceramic spiral — a signature of the B.zero1 collection inspired by Rome's Colosseum.

The contrast between the warm rose gold and the bold, glossy ceramic gives this ring a contemporary, wearable elegance. Comfortable and stylish, it's the perfect everyday statement piece for anyone who loves refined, modern jewellery with a touch of edge.
