

Art-Deco Style Diamond & Sapphire Platinum Ring
£1,150.00

A striking celebration of early 20th-century elegance, this Art-Deco style Diamond & Sapphire ring is masterfully crafted in luxurious Platinum and set with a beautifully balanced combination of bright diamonds and deep blue calibre-cut sapphires.

Its bold marquise-shaped design centres on a lively old-cut diamond, framed by a constellation of smaller stones arranged in a meticulous geometric pattern. Two graceful arcs of sapphires sweep across the ring, adding definition, colour and a distinctly Deco sense of rhythm. Fine milgrain detailing throughout enhances the architectural lines, giving the piece its unmistakable vintage character.

Light on the hand yet rich in presence, this is a wonderfully wearable ring — sculptural, refined, and full of 1920s charm.
