

Bobby White (London) Diamond Eternity Band
£1,650.00

A beautifully crafted contemporary design, this Bobby White diamond band is formed in luxurious 18k white gold and set with two continuous rows of brilliant-cut diamonds, pavé-set for maximum sparkle and sophistication. The diamonds are beautifully matched and arranged in a seamless, glittering ribbon, divided by a fine polished ridge that adds definition and a sleek architectural touch.

Known for his precision craftsmanship and clean, modern lines, Bobby White has created a ring that is both understated and undeniably luxurious — perfect worn alone or stacked alongside other pieces. The smooth, rounded profile ensures exceptional comfort, making it an elegant choice for everyday wear or a refined alternative to the classic eternity band.
