

Luxurious Pavé Diamond Band in 18k White Gold **£1,250.00**

A refined and beautifully executed design, this pavé-set Diamond band is crafted in luxurious 18k White Gold and set with approximately 0.75 carats of bright, lively diamonds. The diamonds are closely pavé-set across the entire domed surface, creating a seamless field of sparkle that catches the light from every angle.

The gently tapered profile gives the ring a comfortable, elegant presence on the hand, while the fine white gold mount enhances the brilliance of the diamonds without distraction. Chic, understated and endlessly wearable, this is a timeless band that works perfectly as a standalone statement, a wedding or eternity ring, or a sophisticated addition to any modern ring stack.

Fully hallmarked 750, confirming its 18k gold purity.
