Condition Report:

Case & Bezel: Recently polished, Excellent all round condition
Dial: Clear natural aged patina giving a yellow hue to the ivory dial. Some minor blemishes to the dial if looked up close due to age.
Bracelet: Outstanding condition for age, minimal stretch, no notable scratches
Crown: Blue cabochon stone intact and original
Mechanics: Fully serviced and running perfectly

Our View:

For under £4000, this is a superb opportunity to acquire a genuinely classic Cartier Panthère in near-immaculate condition. The Panthère range continues to be a Cartier icon, and this rare 2-row two-tone variant is fast becoming a collector's favourite. You will struggle to find a better-preserved example, especially with full servicing and presentation.
