Hublot Classic Fusion Blue Titanium – Ref. 511.NX.7170.LR – 45mm – Boxed -

This Hublot Classic Fusion Blue Titanium is presented in excellent condition and perfectly showcases Hublot's signature blend of contemporary design, lightweight materials, and refined luxury. Crafted from titanium, the watch wears comfortably despite its bold proportions and delivers strong wrist presence.

The striking blue sunray dial is clean and elegant, fitted with slim baton hour markers and protected by a scratch-resistant sapphire crystal. Completing the look is Hublot's instantly recognisable titanium bezel, secured by six H-shaped screws, paired with a blue leather strap that complements the dial beautifully.

Powered by an automatic movement, this Classic Fusion offers both modern reliability and unmistakable Hublot styling. Supplied with its original box, it represents excellent value within Hublot's contemporary catalogue.

Our View

This is a lot of watch for the money. Bold, dynamic, and unmistakably Hublot, the Classic Fusion Blue Titanium delivers strong presence without sacrificing elegance. Lightweight on the wrist yet visually impactful, it's a striking modern luxury watch that works just as well day-to-day as it does for more formal occasions.
