

Helvetia Ref.2783.032.30 Yellow & Silver Dial 1960s Vintage Diver Watch £1,500.00

A funky yellow and silver dial by Helvetia, the forgotten Swiss pioneer.

This rare Helvetia with the reference 2783.032.30 has a 43mm stainless steel case with a funky squared cushion shape, perfect for collectors.

This piece features a stunningly colourful dial, which catches the light beautifully, with the classic date window at 3 o'clock.

Inside beats Helvetia signed ETA calibre 2783 automatic movement.
