Price: £1350.00

A fine example of a Longines Flagship which is the premier watch in their collection. Reference L4.799.4.57.6 this watch comes with a Longines travel pouch, original warranty card dated 2014 and Gem stone card. In addition, we provide a full 12 month guarantee and insured shipping (collection Mayfair, London).

35.6mm stainless steel case with smooth steel bezel. Diamond gem set hour markers over a black dial with the day and date at 3. A total of 12 diamonds (0.55 ct).

In perfect working order this automatic watch has been time tested and pressure tested to 30 meters. The Automatic movement shown off with an exhibition case back.

Steel bracelet and hidden fold clasp to fit a wrist to 17.5cm.

Condition - 8.5/10 no significant marks or scratches we would consider this watch to be in excellent all round condition and unpolished. Minor light blemishes as you would expect for a watch of 10 years.

A really great choice watch under £1500!
