

**Tiffany & Co. Patent Vanity Compact 1915-1925 - Saddingtons Jewellery
Stand 375
£950.00**

An Exceptional Early By Tiffany & Co. Patent Vanity Compact 1915-1925. The compact is crafted in sterling silver with applied 14ct yellow gold panels and has a registered Tiffany & Co patent. The elegant rectangular compact exemplifies early Art Deco design with crisp linear geometry and beautifully proportioned gold striping to the exterior. The interior is finely gilded and retains a mirror alongside a cleverly engineered sliding internal compartment. reflection Tiffany's renowned technical innovation as much as its aesthetic excellence. Stamped "Tiffany & Co." , 14K on sterling and Patent No.722. This dates this piece circa 1915-1925. This is when Tiffany was producing some of its most refined personal luxury objects for the American and European elite. Vanity compacts of this quality, combining precious metals, patented construction and intact interior elements, are increasingly scarce and highly sought after by collectors. A timeless and highly collectible Tiffany object, equally suited to display or refined daily use. Measuring 5.8 x 4.9 x 1cm. In excellent antique condition with light wear commensurate with its age.
