

**Victorian Amethyst Brooch****POA**

A beautifully detailed antique brooch centred with a striking emerald-cut amethyst displaying rich purple tones. The amethyst is set within an ornate openwork surround, highlighted with old-cut diamonds arranged in a flowing, foliate design. Crafted in white metal with fine period detailing, this elegant piece has strong late Victorian / Edwardian character and exceptional presence despite its delicate scale. A timeless jewel that can be worn as a brooch or converted for alternative use if desired.
