

Favre-Leuba 6600-51 Jordanian Crown cipher Dial £595.00

Watch: Favre-Leuba Geneva King Hussein of Jordan Stamped Dial

Stock Number: CHW6713

Price: £595.00

This Favre-Leuba features the Jordanian crown cypher on the dial and box, most likely first offered as a gift by the crown of Jordan to a staff member or associate.

Not particularly rare or unusual to have a Jordanian Crown stamped dial, in fact if we are honest they seemed to have given a fair few of these out over the years however that said it's a watch with a bit of history.
