

**Victorian diamond earrings
POA**

Pair of antique diamond drop earrings, designed as floral clusters with a central old-cut diamond surrounded by a halo of smaller old-cut diamonds, all set in silver-topped gold. The clusters are suspended from diamond-set knife-edge drop fittings with fine miligrain detailing. Likely late Victorian to Edwardian in date (circa 1890–1910).

Elegant movement, good sparkle, and classic period craftsmanship throughout.
