Stock Number: CHW6781  
Price: £1850.00

Almost £3500 when brought new this Raymond Weil Freelancer reference: 2785-SBC-60000 is quite the watch! An incredible piece of engineering associated usually with watches of at least 3 times the retail price.

The latest Raymond Weil watch to use the Calibre RW1212 movement which is housed in an awesome skeletonised case. 42mm stainless steel case with solid bronze bezel. The balance wheel there for all to see at 6 o'clock this watch shows off the craftsmanship of Raymond Weil.

Presented with inner and outer box, manuals and warranty card dated to 2021.

Perfect working order having passed through our workshop.

Condition - Exceptional throughout however the leather strap does show some wear which is clearly visible from the inside. Perfectly usable but noticeable from the inside.

This is some watch that is for sure and at an incredible price.
