

Vintage Italian 18ct Gold & Peridot Bezel Necklace c.1980s **POA**

A fresh and timeless piece of 1980s Italian design. This 18ct yellow gold necklace features a vivid, electric green peridot solitaire (approx. 6.2mm) in a sleek, modern bezel setting. The pendant is suspended from a delicate 42cm 18ct gold beaded chain, a detail that sets this piece apart from other solitaires and sits flatteringly at the collarbone.

Known as the "evening emerald," peridot is famous for its exceptional brilliance and its ability to brighten the face in any light. This is a high quality example of late 20th century Italian goldwork in excellent vintage condition throughout.

Add an Italian pop of 1980s colour to brighten your everyday look with this effortlessly elegant solitaire. To see the price or to purchase this piece, please visit:
