

Victorian Amethyst Rivière - Charlotte Sayers
£10,800.00

A fine Victorian amethyst rivière necklace, composed of twenty-one graduated oval, facet-cut amethysts of rich purple hue, each securely set in a yellow gold cut-down collet mount. Typical of the mid-19th century aesthetic, the rivière style symbolised refined elegance - its name derived from the French for "river," reflecting the continuous flow of gemstones encircling the neck. Presented in a fitted case.
