

Rolex Oyster Perpetual 116000 **£6,350.00**

Watch: Rolex Oyster Perpetual 116000

Stock Number: CHW6779

Price: £6350.00

Certainly a very rare dial configuration for a modern Rolex, this Oyster Perpetual 116000 features a blue concentric dial known as a 'Bullseye' dial.

Rolex dials with a painted concentric circle in the middle are often called "bullseye dials" or sometimes a "Tuxedo" dial. This one is a factory fitted one and comes complete with box and papers.
