

## **Victorian 15ct Gold Shell Portrait Cameo Brooch c.1870 POA**

A fine mid Victorian shell cameo featuring an exceptionally carved classical female profile. The detail is remarkable, particularly in the flowing curls and ruffled bodice, suggesting the work of a master carver.

The cameo is set in a 15ct yellow gold mount, with an alternating pattern of smooth bands and fine rope twist detailing.

A thoughtful gift for someone who appreciates the unique artistry of a hand carved portrait. View this piece downstairs at our Grays stand, or for more details visit: [eltonantiquejewellery.com/grays](http://eltonantiquejewellery.com/grays)
