

### **Victorian Locket Hand Brooch - Charlotte Sayers**

**£1,650.00**

A charming Victorian brooch crafted in 15ct gold and beautifully modelled as a graceful hand, delicately poised as it clasps a heart-shaped locket. The locket forms the centrepiece of the design. Suspended from the hand is a fine gold chain, from which a small key charm gently dangles below - a symbolic motif of love and devotion, suggesting "the key to my heart." The hand wears a ring set with a vibrant ruby on the little finger.
