The Basculante is by far one of the more harder to find steel Cartier models without question, even more so to find one with original box and papers as is the case with this one. Furthermore we have had a brand new unworn Cartier strap fitted.

Dated to 2006 this Basculante comes with the original Cartier Warranty papers, the original box, a recent Cartier battery change (2025) and with a new Cartier strap.

Polished and perfectly presented.

24mm x 35mm stainless steel case the dial is white with the iconic black Cartier Roman Numeral hour markers with navy blue metallic hands. Sapphire scratch resistant crystal.

Quartz battery powered movement. (Cartier Battery change 2026)

Condition - Polished. Recent Cartier Battery change and new blue leather strap. Original Cartier buckle.

Our View - The larger version, untouched by offered a complete set this is a unique opportunity to get a Cartier Basculante on your wrist! :)
