

Omega Automatic Bumper £995.00

Watch: Omega Automatic Bumper
Stock Number: CHW6833
Price: £995.00

An honest original Omega Bumper Automatic from the 1940's, yes there are clearly marks and aging to the dial the case is marked too but then this is a watch of over 75 years old and left in its original condition.

Powered by an Omega Calibre 351 automatic movement this is a bumper model dated to 1947.
