

## **Vintage 18ct Gold Mismatched Heart & Tassel Drop Earrings - Spectrum Antiques**

**£1,650.00**

These charming vintage 18ct yellow gold drop earrings offer a playful yet elegant silhouette, each featuring a mismatched pendant—one a finely detailed heart charm, the other a miniature tassel drop. Suspended from delicate chain links, the earrings sway beautifully with movement, catching the light and balancing whimsy with refined craftsmanship.

The warm tone of the 18ct gold enhances their vintage character, while the mismatched design adds individuality and a modern edge. Light, wearable, and full of personality, they make a perfect statement pair for everyday luxury or a standout detail for evening wear.

A unique and stylish pair for collectors of vintage gold jewellery or anyone seeking earrings that feel both classic and creatively expressive.
