

18ct Gold Grima Diamond Earrings -Spectrum Antiques

£7,850.00

Exuding timeless elegance, these exquisite earrings by Grima embody both luxury and craftsmanship. Designed in 18ct yellow gold with a softly hammered texture, they are enhanced by a sweeping arc of brilliant-cut diamonds set in white gold, adding a striking contrast and sparkle.

The earrings are designed with a bold, sculptural profile that frames the face beautifully, making them perfect for both day and evening wear. With secure clip fittings, they offer comfort and ease without compromising on style.

A rare opportunity to acquire a distinctive piece from one of the most innovative jewellery houses of the 20th century.
