Sapphire-tone cabochon crown

Mineral crystal in excellent condition — no marks or blemishes

#### Movement

Quartz battery-powered movement

Recent battery change completed

Offered with a 12-month mechanical guarantee

Running accurately and reliably

Strap although worn is perfectly usable and is signed Cartier with the steel deployment Cartier clasp.

#### Strap

Cartier green leather strap

Worn on the underside but perfectly usable

Minimal visible wear when worn

Steel Cartier deployment clasp (signed Cartier)

#### Condition

Case: Excellent — barely a mark visible

Crystal: Clear and blemish-free

Dial: Light pitting visible under close inspection, but overall clean and attractive

Strap: Shows wear on the inside; outer side presents very well

A very well-preserved vintage Cartier with lovely originality

#### Our View

The Must de Cartier Vendôme is a timeless classic — elegant, understated and effortlessly Cartier.

Sterling silver variants like this Ref. 1860 are increasingly hard to find in such clean condition,

especially with the original box, Cartier strap and deployment clasp. A beautiful example of a vintage

Cartier that remains highly wearable and highly collectible.
